MARION, CRITTENDEN COUNTY, KENTUCKY, Nov. 11, 1909.

NUMBER 29

## EXPLANATION

To the People of Marion and Crittenden County.

On account of so many people wanting to know whether or not we are going to move our store January 1st. I will take this space to explain.

On account of the fact that we undersell the other merchants of Marion, some of them have become jealous of our prosperity with low prices and have tried to make us move, but failed. We will not stand for it and therefore we are here stronger than ever and are going to continue to sell goods under our old motto

"SMALL PROFITS AND QUICK SALES"

We want to thank the people for their past patronage and ask that they continue to trade with us and get the benefit of

SAME GOODS FOR LESS MONEY  
MORE GOODS FOR SAME MONEY

We have this year the greatest line of Holiday goods ever brought to Crittenden county, besides a complete line of Ladies and Gents Furnishings, Pants, Notions, Jewelry, Novelties, Stationery, and Fancy Goods, Dolls and Toys, Chinaware, Glassware and Lamps, Granite and Tinware, Ornaments, Etc.

YOURS TRULY,

M. E. FOHS.

## OFFICIAL VOTE OF CRITTENDEN COUNTY

No Changes From Tabulated Vote Given by  
This Paper Last Week.

The official count of the votes cast for the candidates for the various county and district offices differs very little from the unofficial vote given in tabulated form last week. The results are unchanged. In Crittenden county the Republicans get a majority of the offices, yet the Democrats elect the circuit clerk and jailer and have nothing to complain of when they consider the deep inroads made into the usual Republican majorities, which are cut more than half in two. In the districts of which this county is a part, the Democrats get everything, electing the railroad commissioner, circuit judge, commonwealth's attorney, state senator and representative. In the state the Democrats get everything in sight and the next General Assembly will be largely Democratic in both branches. And this is why our roosters crow so loud!

For railroad commissioner John P. Maswell, jr., republican received a majority of 223 over Lawrence B. Finn, democrat.

For Circuit Judge, C. J. Waddill, republican, had a majority of 235 over J. F. Gordon, democrat. Judge Gordon received handsome majorities in Livingston and Caldwell counties and he was re-elected Judge of this district.

In the race for Commonwealth's Attorney, Carl Henderson, republican, got a majority of 161 over J. L. Gray, democrat. This majority was many times overcome by the votes of Livingston and Caldwell counties and Gray was re-elected.

For Circuit Court Clerk, R. L. Faary, democrat defeated his republican opponent, E. L. Harpend, by a majority of 52.

For County Judge, Walter A. Blackburn, republican, received a majority of 32 over Franklin Wolfe, democrat.

In the race for Sheriff Joel A. C. Pickens, republican, was elected over his democratic opponent, G. B. Taylor, by a majority of 158 votes.

The race for Jailer resulted in a victory for Will Wallace, democrat, over A. H. Travis, republican, by a majority of 58 votes.

For Superintendent of Schools, Miss Clara Nunn, democrat, was defeated by E. J. Travis, republican by a majority of 236.

For State Senator W. H. Jones, republican, had a majority of 204 over J. R. Catlett, democrat. Mr. Catlett received a majority of the votes in Caldwell and Webster counties and was elected.

In the race for Representative H. E. Norton, republican, had a majority of 89 votes over M. F. Pogue, democrat. This majority was overcome by the majority for Pogue in Livingston county and he was elected.

The stock law was defeated by 527 to 1623.

John A. Moore for County Attorney, and L. E. Guess, for County Clerk each received 1643 votes. They had no opponents. R. H. Thomas, for Assessor, got 1678 votes. G. W. Stone, for Coroner, 1574. J. E. Sullenger, for Surveyor, 1586.

WANTED:—A good young cow with young calf.—S. M. Jenkins.

## FAMOUS PEOPLE

BY FANNIE M. LOTHROP

QUEEN ALEXANDRA

The Sweetness and Charity of England's Queen

Queen Alexandra, whom Dean Stanley termed "the angel in the palace," has for over forty years endeared herself to the hearts of the British people since 1863, when a girl of nineteen in her quiet, little, old-fashioned poplin frock and shawl, she landed at Gravesend as the bride of the Prince of Wales. Her early life was passed in extreme plainness and simplicity, because of the smallness of the family income. When she was born, her father, then Prince Christian, had no hope of ever being King of Denmark, for his relation to the reigning king was so distant. He had nothing but his military pay and his wife's modest dowry. The life in their home, the Yellow Palace at Copenhagen, was a pretentious only in name. The daughter, Alexandra and Dagmar, who became Empress of Russia, wore garments of cheap material cut in the plainest style.

When Alexandra was seventeen, the Prince of Wales, while speaking to one of his friends, jestingly asked to see the portrait of his sweetheart. Inadvertently the wrong picture was handed to the Prince, and instead of the face of his friend's fiancée, he saw the likeness of "the most beautiful woman in Europe." The future king of England promptly fell in love with the portrait which led to his marriage two years later.

The simplicity of her early years has ever clung to the Queen; though in the court she has not been of it, and for society she has cared little. Her home circle has been her throne, where she has reigned with sweetness and love. Her kindness, gentleness, tact and generosity have been always at the call of need, and since she went to England has been instrumental in raising or causing to be raised over \$250,000,000 for charity.

In one of King Christian's weekly letters to her, he wrote that an elderly lady-in-waiting to the late Queen of Denmark was dying, and that her one wish was to speak again to her dear "Princess Alex." At that time it was impossible for Alexandra to leave England, but a long tender message of love and hope spoken by her into a phonograph, was sent by special courier to Copenhagen. Its arrival a short time before the aged lady's death made her last hours serenely happy.

At Sandringham she led the life of a country lady, finding her pleasure in her children, the house, the grounds, her pets, and in ministering acts of mercy. Serene, gracious and beautiful, her life has been quiet, though with a thread of sorrow running through days of seemingly golden happiness.

### Change in Firm.

J. A. Mabee, formerly with Walter McConnell, has bought out Mr. Metz, of the firm of Metz & Myers. The name of the new firm will be Myers & Mabee. Mr. Metz will remain with the firm indefinitely.

### Artistic Work

Henry & Henry have just turned out from their marble works a fine monument to be placed on the lot of P. E. Shoemaker and wife in the Mt. Zion cemetery. This is a very artistic piece of work and one of the heaviest in the county.

FOR SALE—Two shoats, \$6.00 each; 1 buggy, \$20.00; 1 mare and colt, \$140.00; 1 cow and calf, \$40.—J. W. Flynn.

### Want Change in Control

Paducah, Ky., Nov. 8.—Prominent local river men will petition Congressman Ollie James to have Paducah and the lower Ohio river placed in the Tennessee River Engineering District. The reason for the change is that the Tennessee River Association is getting more work done than the Ohio River Association. Another reason is that there is better equipped force on the Tennessee river, with less territory to cover.

J. C. Hall, of the United States Engineering Department, with headquarters in Nashville, is here to make an examination and surveys of Livingston Point and the Tennessee

Island, with a view to the preservation of Paducah's famous winter harbor. The Ohio is starting a dangerous erosion at the Point and if it is not attended to soon the closed winter harbor here will be open to the ice.

### A MISTAKE CORRECTED.

State of Kentucky  
Crittenden Co., Court  
Sept. 24th, Term 1909.

IT IS ORDERED BY THE COURT that Dr. T. A. Frazer be, and is hereby allowed, the sum of \$52.00, payable out of the county levy of 1909, for performing operation on Eddie Smith, interest from date.

My attention was accidentally called to the above claim during the late county canvass, and I asserted in the presence of several democrats that it ought to be investigated; that Judge Blackburn had no right to allow a claim exceeding \$50.00, and especially he should not allow interest on that character of claim, or any claim. I urged that this was a matter of record, and was the proper thing to use on the stump against Judge Blackburn. However, the matter was dropped, and I heard nothing more from it. I understand that it is being used against Dr. Frazer, to his detriment, perhaps. I never, at any time censured Dr. Frazer for accepting the amount, even if it was true, but I have investigated said claim and find that the Fiscal Court, at its call term in June, directed Judge Blackburn and Dr. Frazer to have an operation performed on one Eddie Smith, a white boy, for hernia, and authorized the issue of a warrant to cover the expenses of having the boy operated upon. Dr. Frazer informs me that, in pursuance of said order, he sent said Smith to Walker's Sanitarium

in Evansville, where the boy was operated upon by Dr. Walker: that he paid Dr. Walker the entire amount of \$52.00, for which he has Walker's receipt, for operation and the boy's transportation home. And, according to the receipts and the records, Dr. Frazer never received one cent of the county's money for said operation.

The claim should have stated on its face "Fiscal Court June term, 1909," instead of Sept. term 1909. I knew the Magistrates did not sit at that time, and I was misled by the claim. It turns out to be an oversight in the draftsman of the claim, and I trust no one will censure Dr. Frazer or Judge Blackburn for said appropriation.

They are both entirely innocent of any wrong, and I make this statement to set Dr. Frazer and Judge Blackburn right, so far as this claim is concerned.

This November 9th, 1909.

J. G. ROCHESTER.

### Dr. L. E. Gilbert.

Dr. L. E. Gilbert, son of Mr. Jas. G. Gilbert of this city, has located at Boaz, Graves county, Ky., for the practice of his profession. Dr. Gilbert graduated from the Old University of Louisville, Medical Department, about two years ago. He is a thoroughly competent physician and surgeon, and is a young man of high moral character and we trust that he will meet with the success that he so richly deserves.

### Judge Evans Rules in Pensacola, Fla., Case.

Judge Evans, in the case of the Pensacola Bank and Trust Company of Pensacola, Fla., against R. E. Melton and others, of Seabree, Ky., yesterday overruled a demurrer to the original petition. The question involved was that of changing the dates of notes and not using the money for what it was alleged to have been borrowed. Judge Evans ruled that the bank should have suffered for what others did of which the bank was ignorant. Over \$10,000 is involved in the suit and the transactions date back several years. G. C. Seudamore was formerly cashier of a bank in Seabree, Ky., and afterward became cashier of the Pensacola Bank and Trust Company of Pensacola, Fla. He borrowed \$10,000 from the Pensacola Bank, with R. E. Melton as surety. When the notes finally fell due the surety refused to pay the notes on the grounds that the money was not used as the borrower intended and that dates had been changed. In the meantime Seudamore had severed his connection with the Florida bank.

### MAN GONE

### And Bail Bond defeated By Appellate Court.

The case of the Commonwealth of Kentucky against Percy Howerton is easily recalled by the readers of this paper. He was convicted in the Crittenden Circuit Court, of an assault upon a girl under sixteen years of age. The case was appealed to the Court of Appeals and reversed, and before the mandate of the reversal reached the Clerk's office of the Court of which he was convicted, he was allowed bail for his appearance to answer said charge. James & James and J. A. & Jno. A. Moore took the view of it that the bond was void, for the want of authority in the person taking the bond, for the reason that the mandate of the Court of Appeals had not reached the Court that tried the case. The bond having been forfeited by the lower Court, and the Sureties, G. W. & P. A. Howerton being adjudged to pay same, employed the above law firms who sent the case to the Court of Appeals. The Court of Appeals took the same view of the case as said law firms, and held that the sureties were not thereby bound, and said case was remanded to the Crittenden Circuit Court with directions to so adjudge.

### MYSTERIOUS

### Death Of Young Kentuckian at Oklahoma City

Oklahoma City Nov. 7.—Dangling in mid-air, with a rope suspended about the neck, the dead body of Roy D. Gannon, 30 years old, of Lexington, Ky., a wealthy real estate man, was discovered at three o'clock this afternoon by his stenographer. The body was suspended from the roof of the nine-story office building known as the Campbell building.

Gannon had been dead for several hours and the police are confronted with the most mysterious crime in recent years in the Southwest. A package containing \$1,000 in currency, which Gannon drew from the bank at noon Saturday, is missing. After his assailants had beaten the man into insensibility, a noose was from a piece of rope and, with the aid of a piece of iron, the rope twisted about the neck of the victim, almost serving the head.

The secret service department is seeking a blonde woman with whom Gannon was seen on the street here in an automobile late Saturday afternoon. Gannon came to this city several years ago and was one of the leading real estate men of the state. His acquaintance was State-wide. Gannon was single and the robbery theory is accepted by the police. Gannon was prominent member of the Knight of Columbus.

STRAYED—From my farm near Baker school house, one dark bay pony, six years old, branded "P. S." on left hip, hind feet both white. Any information as to its whereabouts will be thankfully received.—T. E. Hazel, Weston, Ky.

Billy Joel Gives His Opponent Another Solar Plexus Blow.

With a heart full of theology and a heart full of love for all men, I came before the large audience of Press readers again.

The highest medical authority on foods,

Sir James Crichton Browne, LL.D.—F.R.S. of London,

gives the best reasons for eating more

Quaker Oats

In an article published in the Youth's Companion of September 23rd, 1909, Dr. Browne, the great medical authority on foods, says, about brain and muscle building—

"There is one kind of food that seems to me of marked value as a food to the brain and to the whole body throughout childhood and adolescence (youth), and that is oatmeal.

"Oats are the most nutritious of all the cereals, being richer in fats, organic phosphorus and lecithins."

He says oatmeal is gaining ground with the well-to-do of Great Britain. He speaks of it as the mainstay of the Scottish laborer's diet and says it pro-

duces a big-boned, well-developed, mentally energetic race. His experiments prove that good oatmeal such as Quaker Oats not only furnishes the best food for the human being, but eating it strengthens and enlarges the thyroid gland—this gland is intimately connected with the nourishing processes of the body.

In conclusion he says— "It seems probable therefore that the bulk and brawniness of the Northerners (meaning the Scotch) has been in some measure due to the stimulation of the thyroid gland by oatmeal porridge in childhood."

The Scotch eat Quaker Oats because it is the best of all oat-meals.

salvation and the free moral agency of man—that the salvation of the world is upon this "whoever will" plan. Now, it one thing to get salvation and quite another thing to keep it. The man who "abides in Christ" is the man who hath eternal

life.—John 15: 7.

Well, I have found out at last the name of my "friend" who tried to convince the readers of the Press that the erroneous doctrine of "once in grace always in grace" was sound theology! He and Bro. John King are one and the same theologian, and Bro. John says I "assailed" him. Now, I never meant to "assail" Bro. John. The article I wrote was not to him any more than for others who believes like he does. The reason I mentioned Bro. John's name was that in mentioning the name of Judas I thought of the sermon Bro. John preached at Piney Fork, in which he labored to prove that Judas was not a good man when he was called by Jesus to be one of the 12 disciples. I merely remarked that Bro. John would have to mark Judas again—and so he will! So I hope he will keep cool and loving. Bro. John is wrong in his theology. Some one—a "co-laborer" from over about St. Louis—is howling for help. But I shall just turn him over to Bro. Stuart, who is amply able to extricate him from his theological twists, and devote myself to Bro. John. Some of my best friends are among this class of believers and I do not against them, but their creed. I love them all. It is their theology that is wrong. If you get a person to believe there is no danger of fall-

ing or losing his salvation he will not watch for the breakers, and this is the cause of so many back-sliding or falling from grace, Gal. 5: 14.

Now you remember that the first man and woman that God created were created holy and they by transgression fell. Just like Adam did and Solomon, David, Sampson, Sam and Peter. Everything we get in the way of salvation is on conditions. If we keep it is upon the condition that we are faithful. This, I think, is sound theology. But a man can put a wrong interpretation on the Word of God and prove anything he may want to prove. But the Bible is not a one-sided book. God and man must work together if man is saved. "Can the blind lead the blind? Shall they not fall in the ditch together? Luke 6: 39. Matt. 15: 14.

Now, Bro. John, I think I have as much right to tell the truth through the paper as you have to preach such doctrine as you and others do from the pulpit. You ought, Bro. Johnny, to have put the word truth instead of the word strife. When you preachers stop preaching this erroneous doctrine I will stop correcting you. The truth, or a belief of it, is what saves people. "Thy word is truth."

Bro. John wants to know where where the Bible leaves Solomon. 1. Kings 11: 43. But read verse 40: "Solomon sought therefore to kill Jeroboam." Malice aforethought. Not a very christian-like frame of mind to be left in!

The Scripture you refer to, Bro. John, is all right. But you leave man's part out altogether, which makes man a mere machine, or tool. Can't you see this, Bro. Johnny? You may be like some other people, pack your sins on Jesus. The devil didn't do that!

My, my! You say you C. P. are weighed and found wanting. Suppose you die with short weight. We are talking about salvation now. "Wherefore let him that thinketh he standeth take heed lest he fall." 1 Cor. 10: 12.

Bro. John, you all run for proof and comfort to Rom. 8: 35-39. There are two points you all overlook. The first is in the 36th verse. "We are killed are killed all day long." That means dead to sin. The point is in the 39th verse. "Nor heights nor depths nor any other creature shall be able to separate us from the love of God in Christ Jesus our Lord." Now, Bro. John, he never said that this love was in us, but in Christ Jesus our Lord. But his love does not save us unless we meet the conditions—continued faith and obedience. If it did all men would be saved, and that is Universalism. The Scriptures you refer to, Bro. John, are all right, but only those who meet the requirements can take shelter under them. We ought not to presume on God's love or mercies. According to one's faith so shall it be; for instance, he said, "Thou wilt keep him in perfect peace whose mind is stayed on Thee." "For ye are dead and your life is hid with Christ in God." Col. 3: 3. Ps. 121. 2 Tim. 2: 19. This man is one who has quit sin, or the sin business. John 3: 15 is all right to this class of people. John 5: 24. I do not see how he could be anything else than a new man: "Therefore if any man be in Christ he is a new creature." 2 Cor. 5: 17. So it was a new heart the Lord gave to Saul. Bro. John says my statement puts Judas in heaven. No, sir, Bro. John. Jesus said he should have a throne, or a son of one, but that did not put him in heaven any more than when God said to Jonah, "Go and say to Ninive, 'In forty days shall Ninive be overthrown,' and he did it not." Jonah 3: 4-10. Don't you see how these things can be? You refer to John 6: 64. Jesus was not speaking to the twelve disciples. Read verse 67 and you will see. This was decision day. Peter asked the question, "To whom shall we go?" and in the 70th verse Jesus answered, "Have I not chosen you twelve and one of you is a devil?" Not WAS a devil. Judas was secretary and treasurer of the twelve disciples, but he was like all other men who love money more than they

do God. Judas by transgression away from God. Every man is fell, that he might go to his own place. Acts 1: 25. Pray tell me his own lusts and desires, then Judas. How can a man fall from a place he never was? How could Judas be a devil, Bro. John, six days before Satan entered into him? "For if after things he scanned the pollution of the world, through the knowledge of the Lord and Saviour Jesus Christ, they are again brought into bondage, and are overcome, they are again with them that are ungodly, for it had been better for them not to have known the Lord, than after they have known him to turn from the commandments." 2 Pet. 2: 20-22. Every branch in me that beareth fruit, he taketh away." John 15: 2. I know thy works that thou art neither cold nor hot. I would thou wert cold or hot, so then because thou art lukewarm and neither cold nor hot, I will spue thee out of my mouth." Rev. 3: 16. ## THINGS THAT MARION AND CRITTENDEN COUNTY PEOPLE SHOULD BE PROUD.

This is the home of Jno. Bell who was the nominee for President. Of T. J. Nunn now serving with distinction as Chief Justice of Kentucky. Of W. J. Deboe who served six years in the United States Senate. Of Hon. Ollie M. James, now serving his fourth term in our National Congress and who is one among the most highly recognized Statesmen of the United States.

Marion is one of the twenty-three towns of Kentucky with a second class post office, namely:

Ashland, Bowling Green, Cynthiana, Danville, Frankfort, Fulton, Georgetown, Glasgow, Harrodsburg, Henderson, Hopkinsville, Lebanon, Madisonville, Marion, Mayfield, Maysville, Middlesboro, Mount Sterling, Paris, Richmond, Shelbyville, Somerset and Winchester. These are first class offices in the State.

There are 2990 post offices in Kentucky all told, and only exceeded in number by one State in the Union, Pennsylvania, which has 3776 post offices, 34 of which is first and 142 second class offices. Our popular Postmaster G. M. Crider draws a salary of \$2,400 a year and is allowed three deputies.

The Wilbur Haynes Post Card business pays enough postage in a single month to pay the post office expenses here for a whole year, paying in every month for postage, from \$2,400 to \$3,400 or about \$36,000 a year. It is the home of one of the best and most reliable Marble Works in Kentucky and truly the only producers of a high grade granite and marble from the rough stone in all Western Kentucky owned by Henry & Henry.

The home of the Marion Milling Company, the recognized producers of the most popular brand of flour on the market.

The home of the Fluor Spar Co., the value of which property including the great number of tons of spar now on the siding is at insurance value, \$165,000.

This is the greatest mining district in the world today and will be proven so in less than two years. Statistics show this to be true now.

The ore is advancing now and very soon the whole United States will be coming here for spar. That zinc and lead are always found in our spar veins within one hundred feet, is not bad, for the reason that Saunders' new process of separation now solves that problem.

Foreign flour spar can not compete with our's, with the tariff in effect, at Pittsburg or any points West unless we raise the price above \$7.00 per ton on our cheapest grade.

There is no business on earth controlled by so few men that continues under several controls. **THEY FORM A TRUST.**

The Albany Fluor Spar Co., with its splendid mills, running all the time represents an investment in machinery and ore on track of at least \$160,000.00.

The Saunders Ore Reduction Company with the improved separating process is another big industry of which the people here have a right to be proud. All of these mills in the town of Marion alone, represent easily a half million dollars and will soon mean more to Marion and Crittenden county than ever before.

The home of the Heath Manufacturing Company, makers of Heath's hand made mission furniture. This is one of the best new enterprises in the town or county.

The home of the Record-Press, now in its thirty-first year and with the largest circulation of any county newspaper in the State.

The home of the J. C. Bourland Job Printing Plant, one of the busiest and most profitable offices in the State with an unequalled reputation for neatness in anything in the line of printing and binding.

Marion has two tobacco factories that handles the tobacco from 2,500 acres, at an average of eight hundred pounds per acre, a total of 2,240,000 pounds that brings the farmers at the price of \$8.00 \$179,200.00.

Crittenden county produces fine corn, wheat, hay, sheep, hogs, cattle, horses and mules.

The county is out of debt with over one thousand dollars to the good and with a lower tax rate than any of her adjoining counties.

Her facilities for transportation are the great Illinois Central railroad system, the Cumberland, Tradewater and Ohio rivers.

Marion boasts two of the finest hardware stores in Western Kentucky, a number of large dry goods and clothing houses, a number of large groceries and meat markets, an ice plant, electric light plant, a splendid graded school building, two beautiful drug stores, two banks, a number of fine churches, no saloons and an empty jail.

The Postal Telegraph Company, so says an exchange, has notified the lady operators to desist from wearing rats in their hair.

From the recent election returns the people from most of the counties of Kentucky certainly declared against the Good Roads amendment.

Strange that people will lose sleep for many nights and lose time in fruitless argument for some whisky-soaked candidates and at last, cast their vote without a single thought, against the Good Roads amendment.

The suit brought by the Mississippi farmers along the Mobile & Ohio railroad for running trains so slow as to shade their crops, sounds more reasonable than many things some people ask and expect of a country newspaper.

## Our New Hair Vigor

Ayer's Hair Vigor was good, the best that was made. But Ayer's Hair Vigor, new improved formula, is better. It is the one great specific for falling hair. A new preparation in every way. New bottle. New contents. Ask your druggist to show it to you, "the new kind." Does not change the color of the hair.

Formula with each bottle. Show it to your doctor. Ask him about it, then does he say?

As we now make our new Hair Vigor it does not have the slightest effect upon the color of the hair. You may use it freely and for any length of time without fear of changing the color. Stops falling hair. Cures dandruff.

#### WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trade with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.—take the advice received and be well.

#### Kentucky Synod Adjourns After Important Session.

Central City, Oct. 30.—For three of the most beautiful days that ever came in any fall, the white silken badges of the delegates of the annual state gathering of Cumberland Presbyterians held Central City as a leath for good. From the very first a hospitality peculiarly Kentuckian and Cumberland Presbyterian pervaded the atmosphere. The retiring moderator, E. S. Edman, of Bowling Green, preached the opening sermon at 7:30 Tuesday night, and the greatest synod ever held in Kentucky was constituted. Rev. J. I. Price, of Providence, was made moderator, and Colonel E. B. McEwen, of Sacramento, was made stated clerk. The doors of the Southern Presbyterian church, only a block distant, were open to the sessions of the Woman's Synodical Missionary Society, and both of these bodies report unusually fine meetings. At no one service could all the people be seated. Truly it was a great gathering. And the crowds were the last thing about it. Work was done which will tell all through the year. The synod adjourned at 10 o'clock on Thursday night to meet in Marion next Oct.

C. B. Harrison, who for several months past, had been assigned to this place as gauger, was recently given a new field at Zenobia, in Clinton county, for which place he left yesterday to enter on his duties. He was a modest, affable gentleman, who leaves many friends in Marion that very much regret his being removed. He made a good officer and will show his efficiency for his work where ever sent.

Before leaving he called and ordered the Record-Press sent to his new address, that he might hear more fully from the town he formed such an attachment and where he had made so many friends.

Mr. Harrison will be succeeded here by G. W. Gaudman from Elkton, Ky.

#### Clement-Bigham.

On last Thursday night Bellie Bigham and Miss Melville Clement, two prominent young people of Chapel Hill country went Elizabeth town, Ill., where they were married. Misses Jennie Clement and Ruby Bigham accompanied them. They are now at home of the groom's parents, Mr. and Mrs. Ezra Bigham.

K. C. Graves, a deserving young farmer of this county, called last week to hand us a dollar and have his name added to our list.

Now there is only one way that you can get a Mother's Oats Fireless Cooker, unless you want to go to a store and pay \$3.75 for it, and that is by using a user of Mother's Cereals, the best prepared in the largest mills, and sold everywhere by the best dealers in every town. In every package we place a coupon, and when you have 125 coupons we'll give you the \$3.75 Fireless Cooker for free. If you want a Fireless Cooker in a hurry, you can either buy ten packages of MOTHER'S OATS or any other Mother's Cereals, and get the Cooker immediately by paying \$1.15 in cash or upon the following basis:

50 coupons and \$.75 cash  
35 coupons and .50 cash  
25 coupons and 1.00 cash  
15 coupons and 1.10 cash  
10 coupons and 1.15 cash

But the best way of all is to go to your grocer and ask him to supply you with

#### A Mother's Kit

which contains a complete assortment of different delicious cereals for every palate and for every meal. Not only is it an advantage to buy your staple cereals in sufficient quantity at attractive prices (just as it's cheaper to buy flour by the barrel or butter by the crock) but in every Mother's Kit there is in addition to the saving of quite a considerable sum of money, a special Fireless Cooker Certificate, equal to eighteen coupons, which, when added to the coupons from the packages in the kit, enables you to secure a Cooker by merely adding 89 cents. A Mother's Kit consists of eighteen assorted packages of Mother's Cereals, packed in sanitary sealed packages, in which they are guaranteed to keep in perfect condition indefinitely.

8 packages of Mother's Oats, standard size  
2 packages of Mother's Yellow Corn Meal  
1 package of Mother's White Corn Meal  
1 package of Mother's Wheat Hearts  
1 package of Mother's Corn Flakes (Toasted)  
1 package of Mother's Old-Fashioned Steel Cut Oatmeal  
2 packages of Mother's Granulated Hominy  
2 packages of Mother's Coarse Pearl Hominy

This Kit can be purchased at your grocer's by simply paying \$1.95 (a little more at distant points).

The grocer himself will either redeem your coupons and deliver the \$3.75 Fireless Cooker, or, if you so desire, send the coupons and 89c directly to us and we will ship the cooker to you, express collect.

THIS FIRELESS COOKER is 12 inches high and 12 inches in diameter. Two Fine Agate Ware Pans go with it.

Sloan's Liniment is the best remedy for sprains and bruises. It quiets the pain at once, and can be applied to the tenderest part without hurting because it doesn't need to be rubbed—all you have to do is to lay it on lightly. It is a powerful preparation and penetrates instantly—relieves any inflammation and congestion, and reduces the swelling.

**Here's the Proof.**  
Mr. L. ROLAND, Bishop of Scranton, Pa. says:—"On the 7th of this present month, as I was leaving the building at noon for lunch, I slipped and fell, spraining my wrist. I returned in the afternoon, and at four o'clock I could not hold a pencil in my hand. I returned home later and purchased a bottle of

**Sloan's Liniment**  
and used it five or six times before I went to bed, and the next day I was able to go to work and use my hand as usual."

Sloan's Liniment is an excellent antiseptic and germ killer—heals cuts, burns, wounds and contusions, and will draw the poison from stings of poisonous insects.

## Fancher-Boyd Kupla's.

One of the prettiest weddings that people of Salem have enjoyed lately was the marriage of Mr. F. Fancher, of Oklahoma, and Miss Anne Boyd, of Salem. The ceremony was solemnized in the Methodist church in the midst of a large and appreciative audience by the Rev. James F. Price on the evening of October 19th. The church was beautifully and tastefully decorated with flowers and festoons of bough leaves. The bridal party entered into the time of a beautiful wedding march. They were dressed beautifully and tastefully. The words that made them one were spoken in the midst of a host of well wishers. After the ceremony was over quite a number of the friends of the contracting parties repaired to the residence of Miss Addie's father where delicious refreshments were served and an hour spent in happy social cheer. They go to Sepulpa, Okla., where Mr. Fancher is engaged in wholesale produce business and shall make this State their future home.

## Skin Blotches

Indicate skin sickness. Sometimes it's a little colony of germs that are feasting on your skin. Sometimes it is the symptom or forerunner of a much more serious skin trouble to come. In any event if you value your looks, comfort or future health, you should get rid of the trouble at once no matter how slight it may seem. Don't risk Eczema, Erysipelas, Ringworm and other serious skin diseases by letting any indication of skin sickness run on untreated, when Little's Liquid Sulphur stops itching instantly and permanently relieves any and all forms of skin disease, no matter what it may be.

Gentlemen: November, 1902, I contracted facial erysipelas and my physician prescribed ichthyl ointment and retirement from business. After one day's use of the ointment I concluded the erysipelas was preferable, on account of the villainous odor and color of the ointment. Having by a bottle of Little's Liquid Sulphur with which I had cured, with one application, an aggravated case of prickly heat the previous summer, I abandoned all other remedies and applied that with most satisfactory results as the disease was confined to its original limits and in due time disappeared. Respectfully,  
S. G. Warner,  
General Passenger Agent, Kansas City Southern Railway. Sample bottle sent post paid to any address for 10c. Rhum-Sulphur Co. St. Louis, Mo.
